

## Fostering Contract

Fostering an animal is a big but rewarding commitment.

This fostering contract is in place between the Coast to Coast Cat Rescue and the fosterer to ensure expectations from both parties are being met.

It is designed to clarify guidelines and ensure there is an understanding of what is involved when volunteering to foster for the Coast to Coast Cat Rescue (CCCR).

Before you submit your application, please carefully read our terms and conditions.

You agree to the following when submitting your application to foster:

1. The animal(s) shall remain the sole property of the CCCR and shall be returned to the CCCR upon request, or if I am no longer able to adequately care for them.
2. Should the CCCR be concerned about the treatment or care of the fostered animals they will be removed from my possession. I accept the CCCR may wish to inspect my property at any time.
3. I agree to transport the fostered animals to the CCCR when required including attending veterinary appointments.
4. I understand that I do not have any right or authority to keep or place foster animal(s) in other homes or with other individuals. All arrangements must have the prior approval of, and be made through the foster coordinator or other CCCR staff.
5. I agree to follow all medical and other care instructions for any animal(s) I foster through the CCCR.
6. I understand I must make arrangements with the foster coordinator before bringing the fostered animal(s) in for treatment or to be returned.
7. I understand that all foster animals should be confined to areas away from my own pets for at least the first 10 days, especially for the same species.
8. I understand that in the event of illness or medical treatment needed for my foster animal(s), a CCCR approved veterinarian must be used, unless agreed to by the CCCR.
9. I understand that in some circumstances the CCCR may decide that euthanasia is necessary. I understand that this decision is never made easily and I agree to abide by this decision once made.
10. I understand that animals may be unpredictable and, at times, may present a risk to health and safety. I accept that while an animal is in my care, the CCCR is not able to control the behaviour of a foster animal and may cause damage to vehicles and property
11. I agree that the CCCR does not have any liability for the safety or roadworthiness of my vehicle while I transport foster animal(s) in my private vehicle and I do so at my own risk.
12. I agree to return any food, supplies and equipment to the CCCR on completion of fostering.
13. This contract will remain in force while I am fostering animals on behalf of the CCCR and it may be revoked at any time by either party.
14. I understand that the return of foster animals is dependent upon space available at the CCCR and that sometimes there may be delays in being able to return the animals to the CCCR due to a shortage of space.
15. I am aware that CCCR will cover all reasonable costs associated with the animal(s) I am fostering, including food, parasite control, vaccinations and toileting materials where required.
16. I am aware that CCCR will not cover costs related to my personally owned animals and I will not use product provided by the CCCR for use on my owned animals without specific prior consent being given from the foster coordinator or other CCCR staff.

I hereby agree to the above terms and conditions and that the details I have provided are correct:
